Kategorien: Handschaltgetriebeöle

ARIAL G-LiFe SAE 85W-140 is a high-performance gearbox oil of SAE grade 85W-140 produced using selected base oils with exceptional wear protection properties.

Application:
ARIAL G-LiFe SAE 85W-140 is used for axle gears in passenger cars, heavy-goods vehicles and buses as well as construction and agricultural machinery in accordance with the manufacturer’s specifications and provides the highest level of wear protection here.

Performance Level:
API GL-5

Benefits:
Excellent wear protection
Very good load carrying capacity under heavy continuous loads
Extremely stable to shear stress - ‘Stay-in-grade’ Stable lubricating film, even with very hot oil and under very high loads, and safe wear protection Good noise reduction
Good lubrication and lower ‘cold wear’ Outstanding corrosion protection
Good seal compatibility
Low tendency to foam, even at high speeds
Miscible and compatible with other gearbox oils. However, in order to exploit the full product benefits of ARIAL G-LiFe SAE 85W-140, a complete oil change is recommended.
